Chart 2 Exam Score by month

1.) What is Chart trying to Show?

The Chart the exam Scores month from January to August and allow comparison Score between months

2.) What's Wrong with the Colour Choice?

The Chart use many different colour for each month making it visually confusing. The colour do not represent any meaningful or distract actual Score values...

3.) Propose a Better Colour Scheme...

Use one consistent for all months as blue, and use a darker shade to highlight the highest Score if needed. The monthly comparison easier and cleaner.
